President Roosevelt Received At His Home Town With Marked Honors

WERE TWO DEMONSTRATIONS

But Factional Differences Only Added To The Gaiety Of The Occasion.

Oyster Bay, June 27.—President Roosevelt's homecoming was made the occasion for a fête here. His reception was notable for its enthusiastic cordiality and likewise for its vigor. The latter quality was due to a slight factional difference among the townspeople, the result being that the president was accorded a double reception.

Oyster Bay board of trade headed by President J. Morgan Griffin had planned an elaborate demonstration and ex-Assemblyman Maurice Townsend representing the townspeople had arranged another. Both were carried out according to the program, but as both were directed to the same end the friendly rivalry between the factions resulted only in adding to the enthusiasm of the reception.

FOUGHT FOR REVOLVER.

Desperate Struggle Between Jealous Man and Girl.

New York, June 27.—After a desperate struggle with Lulu Miller, his stepdaughter, in "The Hermitage," one of the finest residences in Wallington, N. J., William Dessler has shot and jealously wounded his wife and then shot himself in the heart causing instant death. He had been estranged from his wife for more than a year and went back, it is said, to seek a reconciliation. Dessler, after leaving his wife, opened a saloon at Guttenburg. His venture was a failure.

When he returned to his wife's house, the stepdaughter answered his ring at the door. Dessler pushed her aside and rushed to his wife's apartments. Firing two shots at his wife, Dessler then turned the pistol on himself, after having overturned all the furniture in a desperate struggle with the girl, who had followed him up stairs and attempted to secure possession of the revolver.

MURDER IN FIRST DEGREE.

Negro Doctor Is Found Guilty of Heinous Crime.

Philadelphia, June 27.—The trial of George P. Horsey, a negro herb doctor for the murder of William Danz, has resulted in a verdict of murder in the first degree. Horsey was indicted with Mrs. Catherine Danz who is charged with administering to her husband poison furnished by the "doctor." She is awaiting trial.

AS TO BRITISH TREATY.

London, June 27.—The Times correspondent at Shanghai telegraphs that the Chinese treaty commissioners are informed that the Peking government expects an early ratification of the British treaty which, says the correspondent, is advisable, because, while article 8 has not been accepted in its entirety by all the other powers, its spirit is adopted in the present American and Japanese negotiations.

BOUND OVER FOR JURY.

Miss Marie Ware Is Out On \$2000 Bonds.

Portland, June 27.—Miss Marie Ware formerly United States commissioner at Eugene, and Horace G. McKinley, timber land operator, charged with conspiracy to defraud the government out of public lands, were this afternoon bound over by United States Commissioner Sladen to the federal grand jury. Bonds were fixed at \$2000. Miss Ware furnished hers and McKinley was given till Monday to provide bondsmen.

CLUB MAN CONVICTED.

New York, June 27.—Frank S. Woller, a mining engineer and well known club man of Brooklyn, has been convicted of grand larceny in the first degree and sentenced to serve not less than one year nor more than two and a half years in the state prison. He was tried in connection with the "Horseshoe Copper Mining company" cases

BALFOUR AND CHAMBERLAIN

Assumed That The Two Are Agreed as To Future Policy.

London, June 27.—All the morning papers make Colonial Secretary Chamberlain's and Premier Balfour's speech at the Constitutional club the subject of leading articles which follow party lines. The most noticeable feature of the occasion is acknowledged to have been the announced harmony between the two cabinet ministers on the questions which many expect will prove the rock on which the unionist party will remain divided.

The colonial secretary's careful statement that Mr. Balfour's leadership is essential to union and the success of the unionist party, followed later by the statement that a system of preferential tariffs is the only system by which the empire can be kept together, is taken to mean that there can no longer remain any doubt that the premier and the colonial secretary have agreed on the future policy. The opposition papers rejoice, asserting that the difference which is known to exist inside the cabinet ranks, coupled with the opposition of the working people in the country, must bring defeat to the advocates of Mr. Chamberlain's policy when a general election takes place.

BISHOP POTTER GETS VIGOROUS.

Deals Out Some Battle Axe Advice to Complaining Rector.

New York, June 27.—Bishop Henry C. Potter has taken notice of the open letter sent to him by the Rev. R. C. Fellingham, vicar of Hexton, Hertfordshire, England, and has sent to the vicar a reply that is vigorous and pointed. Furthermore, he has written to the Rev. Dr. G. M. Christian, rector of the church of which complaint was made, advising him to apply for a detestable of police and in case the Hexton vicar and his followers present themselves and interfere, to direct the police to throw the party into the street.

WARNING NOT SERIOUS.

Russians Make Appeal to Continue the Persecution of Jews.

London, June 27.—The Odessa correspondent of the Daily Mail telegraphs that the seizure by the Kishineff police of copies of a printed appeal to the citizens to continue the attacks on Jews has created uneasiness in official circles. The circular says:

"The government's warning need not be taken seriously. If the persecution of the Jews is carried out with proper determination, the southern centers will ultimately follow suit resulting in the wholesale exodus of the detested and detestable Jew from the south of Russia."

WHILE BURYING HIS WIFE

Pool Room Raided While Proprietor is Attending Sad Duty.

New York, June 27.—Six alleged pool rooms in the "tenderloin" district, including "The Allens," have been raided and 592 prisoners captured, making the raid the biggest of the kind ever executed here. Allen's place was raided while the alleged proprietor was burying his wife. None of the inmates of any of the six places escaped. A lot of racing paraphernalia was confiscated.

DECEASED WIFE'S SISTER.

Bill Taken to Death in British House of Commons.

London, June 27.—The opponents in the house of commons of the deceased wife's sister's bill talked the measure to death yesterday for this session. The bill was the eighth on the order of the day but owing to tactics of Lord Hugh Cecil and others it was not reached until late to proceed further. This disposes of the bill again, but it may survive, appearing again next session as usual.

PETITION IS JUSTIFIED

Presentation Of Note Of Protest Will Not Be An Unusual Procedure.

PRECEDENTS ARE RECORDED

Attitude To Be Assumed By Russia Must Be Swallowed By United States.

Washington, June 27.—The officials of the state department assert positively that a close examination of precedents justified the presentation by the president of the United States of the Jewish petition to the Russian government, and that no government has a right to object to the presentation of such a petition, nor has the government a right to object if the presentation is declined. This means that the United States will not find ground to quarrel with Russia if the czar refuses to receive the petition now being prepared by the council of B'nai B'rith.

There were no developments today respecting the petition, save the announcement that it is the purpose of the framers to have it numerously signed by prominent Christians as well as Jews.

FLED TO FOOT HILLS.

Families Driven By Floods Are Sweltering In Hot Sun.

El Paso, Tex., June 27.—The high waters of the Rio Grande north of this city in New Mexico have driven hundreds of families from their homes and these have taken refuge in the foothills. Mrs. William McDonald of Terlingo, N. M., is among those who have taken refuge in El Paso. In describing the situation, Mrs. McDonald says:

"The high water has practically rendered homeless every resident from Mesquite and Earham south to White Spur, N. M. All along the road in the sandhills families can be seen camped with no shelter. The heat of the sun in the hills is intolerable. Many families are not only homeless but living on short rations."

At El Paso the river continues to fall slowly.

RAILWAY IN FAR EAST.

Direct Communication Between Moscow and Port Arthur

London, June 27.—The St. Petersburg correspondent of the Daily Chronicle says the Manchurian railway authorities have completed arrangements for thorough railway communications between Moscow and Port Arthur. The Russians, he adds, evidently intend to exploit the mineral resources of Manchuria to their own advantage. The Manchurian railway has been given the right to work all coal mines situated within 30 miles right and left of the line for its whole length, and even outside this limit all concessions must first be offered to the Manchurian railway company.

ANARCHISTS DEPARTED.

Were to Be Sentenced, So Their Bonds are Forfeited.

Paterson, N. J., June 27.—William Macqueen and Rudolph Grossman, the anarchists convicted of having taken part in the labor riot here last June, have failed to appear in court to have their five year sentence put into execution and their bail bonds of \$6500 each were declared forfeited. It is said they have left the country.

GOVERNMENT WINS POINT.

Opponents To Canal Treaty Have Opened Discussion.

Washington, June 27.—The state department has received a dispatch from Bogota saying the canal discussion has been opened in the Colombian house by representatives opposed to the treaty. The government objected on the ground that it was not ready to present it, but would do so later. The government's position was sustained by a vote of 38 to 5.

STOCKBROKER INSANE.

New York, June 27.—Henry Prenties, a well known stockbroker has been declared insane and unfit to manage his affairs. The proceedings were brought by his wife who testified to his numerous delusions, while two physicians pronounced him a parrot.

VALIANT HUSBAND KNOCKED OUT TWO POOL RUFFIANS.

Prominent St. Louisian Spends Night In Police Court for Coming to Defense of His Wife.

New York, June 27.—Because he punished a couple of men who insulted his wife and afterwards attacked him, Jas. Van S. Barrett of St. Louis, has passed an hour in a tenderloin police station.

Mr. and Mrs. Barrett had visited Madison Square garden with Mr. and Mrs. Walters, also of St. Louis, and were just about to enter a hotel at Broadway and Thirty-second street when, they allege, a man describing himself as Richard Collins, an architect, made an insulting gesture toward Mrs. Barrett. The ladies were walking six feet in front of their husbands. Barrett stepped forward and pulled down the man's hand, saying if he did anything like that again he would get knocked down. With Collins was a waiter. As Barrett passed the latter struck him on the back of his head. Barrett turned swiftly and landed a terrific blow between his assailant's eyes. The man dropped like a log. Collins took a hand and was also lodged.

The crowd gathered and two detectives who hurried up found La Pointe, the waiter, unconscious, with blood oozing from his mouth and ears, and Collins much dazed. La Pointe was taken to a hospital and Collins, with Barrett and his friends were taken to the station. The sergeant ordered Barrett locked up, but later, when informed that La Pointe had recovered consciousness, ordered his release.

NOT ORDINARY BURGLARS.

Strange Defense Introduced By London Attorney.

New York, June 27.—Owing to the curious rumors, according to several papers, circulating in the west end the greatest interest has been felt in the case of two men who have just been sentenced to four years penal servitude on a charge of attempted burglary at the residence of Mrs. George Koppel in Portman Square, says a London dispatch to the Herald.

At the trial, counsel for the defense pointed out that the men were not burglars in the ordinary sense of the word, while the police inspector gave evidence as to their respectability. The prisoners seemed to have opened the front door and walked to the very spot where the jewels, which were of much greater value than was previously stated, were kept. What basis there is for the rumors inquiries at the best sources of information have failed to discover.

COMPANY INCORPORATED.

Hartford, Conn., June 27.—Charles W. Gross and Arthur L. Shipman have filed with the secretary of state articles of incorporation for the Manila Railway and Lighting company with \$4,000,000 capital. The company has the right to build any kind of railroad anywhere to run steamship lines and to establish gas and electric plants outside of Connecticut. The backers of the new company are said to be New York capitalists.

JEWELS STILL MISSING.

Buffalo, June 27.—There is no clue to the missing jewels of Senorita Lopez, daughter of the Filipino leader. The girl is the guest of the daughter of Mayor Knight of this city. The porter of the sleeping car on which the girl arrived here denies all knowledge of the affair.

FAKE LORD IS SWEATED

F. Seymour Barrington, English "Nobleman," May Be Guilty Of Murder.

BODY OF KENTUCKIAN FOUND

As Notorious Adventurer Was Last Man Seen With Victim He Is Held For Trial.

St. Louis, June 27.—The body of McCann who disappeared several days ago, was found today in a stone quarry near here and identified by Mrs. McCann. F. Seymour Barrington, self-styled Lord Barrington, was arrested at the time of the disappearance as he was the last man to be seen with McCann and although he told conflicting stories was subsequently released. Today he was rearrested and tonight he is being sweated by the police.

Barrington is the man who married Miss Wilhelmina Grace Cochrane of Kansas City last January under pretense that he was a lord, and who was later regulated by her. James McCann was a member of the blue blooded Kentucky family with a large estate. His father was J. D. McCann.

Hunt, of Portland, Ore., a Harvard sophomore, and Lloyd Rich, a junior, have been held on the charge for which they were arrested a few days ago, of breaking into and entering the store of the Harvard Co-operative association store.
